

Alaska Distribution System Review (3 hours)

Course Syllabus

Purpose

This course covers important topics for Distribution System Operators.

Topics

Disinfection
Water Quality
Safety

CEUs (Contact Hours)

Upon completion of this course, you will receive a certificate for 0.3 CEUs (3 contact hours).

Completion Requirements

In order to receive [IACET CEU](#) credit for this course, you must complete the following:

- Complete each individual lesson module by watching the video lecture, completing the lesson handout, and passing the lesson quiz. A score of 70% or higher is required to pass each quiz.

Once you have completed all of these elements, your course completion certificate will be automatically placed into your learning account for printing/downloading. It will remain in your learning account even after your course access has expired.
